

## Individual traits and qualities

### Individual traits and qualities

Examine key aspects of the candidate's personality and the character traits necessary for performing the role

### Areas to assess: Teamwork.

Question - Can you give me an example of what good teamwork means to you?

Notes:

This was an excellent answer that covered just what the question asked. Started with a great introspective explanation of what teamwork means, and then supported this explanation with a great example structured using the S.T.A.R interview response.
